

Taking the Gospel to Seafarers Port Castries St. Lucia

Dear Brothers and Sisters in our Lord Jesus Christ.

We give thanks to the God and Father of our Lord Jesus Christ for bringing us into this year 2019. May the Lord help us to continue to live for him, may he give us grace to face the challenges ahead of us, and may we seek first the Kingdom of God and his righteousness, and may the Lord help us to work for him till he come. I would like to thank you for your prayer and financial support over the last year and I pray that you will be encouraged to continue praying for the Ship ministry at Port Castries.

New Cruise ship season

Another new cruise ship season has begun, and thought fewer ships are coming this season, port Castries is very busy as the various ships come into the harbor, some of the ships would have more than two thousand passengers plus more than one thousand crew on board. Thank God for this great opportunity to visit on board the ships with Bibles and other literature to share with the crew on board, to encourage believers who work on the ship and provide them with materials for their fellowship meeting

First visit in 2019

My first visit in 2019 was on board the Jewel of the Seas. It was a good visit, I distributed many scripture texts with the verse John 3:16 in various language, and also Bibles, calendars, and other materials to the crew. I gave a man from the Philippines a Bible in his own language, he was happy to have a Bible in his language. I visited the Azura where I met a cook from South Africa who is a Christian, we had a good conversation he told me how God had help him to get this job on board the ship, and how God continue to help him to be a good cook, he is thankful to God for providing him with this job on board the ship. I also met with the HR manager who is from England. He thank me for coming and bring the Bibles and other materials to give to the crew.

Offering hospitality to seafarers

Be not forgetful to entertain strangers. (Hebrews 13:2) During my visit on board the Grandeur of the Seas, I met a couple who are believers, they ask if I can take them to a place where they can connect to Wi-Fi, I brought them to my home to get free Wi-Fi

Indonesian Lady receive scripture Text

A lady from Indonesia on board the Rotterdam, came to the book table to receive a scripture text with the words written Christ died for our sins. As she receives the text there was an expression of joy in her face. The word of God produce joy in our hearts and lives.

Providing materials for onboard Christian fellowship

I met the leader of the Christian fellowship on board the Crown Princess, he said needed some materials for the fellowship, I gave him materials for their fellowship meeting on board the ship.

Thank You for your prayers and support!
