### SCFS Manila Report May And June:

March till June is not an easy months for everyone due to the crisis we face everything was not in order as it used to be, people are asking why is this so? Where is God and why He allows this things to happen is He no longer in control which he claim to be..? So much question are rising in the mind of evryone looking for answer to comfort them is this present crisis.

In the book of *Psalm 14;1 say's The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good.* Only fools can say where is God at this present time. For he know not the works of God and not even since the flowing of the Spirit of God.and since we don't have that called discerning spirt it leads us to ask why he allows this things.?

Because the Word of God speak the truth: *Gen 6:5 say's And God saw that the wickedness of man was great in the earth,and that every imagination of the thoughts of his heart was only evil continually.*In todays generation seems that God is insignificance to every aspect of life that no one gives much time in meditating God's word. He did allow all this things to awaken us, shake us in our spiritual life. That God is still in control...Infact he has given us the assurance when he say in the book of : *PSALM 46:10-11 Be still, and know that Iam God: Iwill be exalted among the heathen, I will be exalted upon the earth. The Lord of host is with us, the God of Jacob is our refuge..Selah Yea, though I walk through the valley of the shadow of death, I will fear no evil,for thou art with me, thy rod and thy staff they comfort me.PSALM 23:4 we can get through all this throrough Christ our Lord and savoieur.*

*Isa 26:20 Come, my people, enter thou into thy “chambers”, (house in other translation) and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. Lockdown is also Biblical...*

May 11, our internet provider has install our line after it has been declare that our province is already on GCQ which means that we are nolonger on a stict rule of lockdown. The time has started for me to get connected with the world of seafarers.

We have our board meeting talking about the plan for the SCFS Manila and for some cost cutting if possible detail for this meeting has been forwarded to UK and Hamburg..

We SCFS Manila is in partnership with Global Filipino Movement with highest intention to help and reach out OFW land base and sea base. We have our online meeting as well to tackle this issue for it is very alarming situation of many ofw are taking their own life due to many problems they encounter... Which resulted to mental health problem. Seafarer is also having program dealing with mental health spearheaded by Amosup under Gold foundation with the theme “Kumusta ka ka Kabaro”...which means “How are you my fellow seafarer” ? By research a simple word like kumusta ka means a lot to those who have been suffering from anxiety, depression and many more. One way betting it is giving them manual how they can be able to take care of themselves more when they're on board.

Wit all these we want God to have all the credit as what he has says in the Word ***“John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.*”**

***“For God so loved the world that He gave His only begotten Son, that whosoever believed in Him, shall not perished, but have eternal life.” John 3:16***
