Seamen's Christian Friend Society's Response to COVID19 and ISOLATION ON BOARD SHIPS.

SEAMEN'S CHRISTIAN FRIEND SOCIETY, know the importance of having their Port Chaplains and Volunteers visiting your crew on a personal level. While this is becoming difficult to achieve on a daily basis. We want you to know that you are not forgotten, with **Isolation and Mental Health very much at the fore front.** SCFS Chaplains are available for:

Video calls: FaceTime; Skype; WhatsApp, Zoom.

Also by: Email; Text; Phone.

It is our prayer that these measures we have taken will be of help to you all on board as well as your families back home.

Please feel free to contact your nearest Port Chaplain. May this be of help and comfort to you all. Thank you.
